Hon. Director Sir,

I hope this letter finds you well. I am writing to express my heartfelt gratitude on behalf of Pacific Incorporation, Nanded for your unwavering support and collaboration in our e-waste recycling initiative.

Our Memorandum of Understanding (MOU) with SSBES' Institute of Technology and Management has been instrumental in the success of our e-waste recycling program. Your commitment to environmental sustainability and responsible disposal of electronic waste aligns perfectly with our mission, and we are thrilled to have such a dedicated partner as we have received e-waste through Tender and Auction dated 27/09/2023 by our co-partner Atif Scrap Mr. Sayed Firdos.

I would like to extend our sincere appreciation for your prompt and efficient handling of the e-waste collection as per the terms of our MOU. Your institute's contribution to this program is vital, and it goes a long way in minimizing the environmental impact of electronic waste.

The disposal of e-waste is not just an environmental concern but also a matter of social responsibility. Your support in this endeavour demonstrates a shared commitment to a cleaner and more sustainable future.

We look forward to continuing our collaboration in the future and hope to expand our initiatives for the greater benefit of our community and the environment.

Once again, thank you for your partnership and contribution. Please feel free to reach out to us for any further assistance or cooperation in the future.

Warm regards,

For Pacific Incorporation, Nanded
