## 14. Give three observation / suggestions to improve the overall teaching – learning experience in your institution

320 responses

No

Good

Nothing

Yes

Excellent

Good

..

No suggestion

Nice

H

Best

Nothing

Good experience

Very good

-

Conduct practicals properly

No

Ok

Very good

good

None

.

Deep learning skill

Excellent 

Do Everyday lecture specially last lecture

Teaching

Good Communication between students and teachers

New opportunities for every single students wheather he/she is good or not in studies

Conduct practical properly

Regular Practical Exams

Regular Aptitude Tests

Regular Interview Practice

Very well

Very well

Arrange motivational seminar and events

good

Good looking and Dashing personality teacher are there, teaching skill are aaahaa ,superb 1No.  
And contact friendly with students

Best practical example can gives for teaches

Teacher are very good

Faculty can be better, extracurricular and industry oriented approach can be done, provide with  
internship to gain practical knowledge of the curriculum.

Thank You!

2 teachers are very good in my class they teach multimedia and operating system  
And other two like geetanjali mam and Joshi man who teach us DBMS AND Cpp  
Are very bad at teaching and they gives us lot of works to do more than we need  
And they talk very disrespectfully everytime.

Very good 

Try to reach every student and ask for their doubts.

No need to change anything

I think no observation or suggestions is required because they are our mentors they know very well about the learning and teaching experience, satisfy

This Institute is gave us very much knowledge about tech.

My educational experience has been amazing. The teachers at my college made a significant impact on me starting at young age.the professional experience has been limited but beneficial.

Encourage collaboration, use better graphics and visual media to engage students well and try to reach every student and ask for their.

Already nice

Teaching deeply improve point to point

Should Properly cover all the topics

Class test should be taken after every unit completion

Regular lectures should be there as per time table

Teaching skills and how the technology use overall concept regarding the growth of students knowledge

Proper communication between students and teachers

More extraordinary activities.

.  
.   
.

Lab Practical properly , properly teaching, teaching language is understandable.

Nothing special it's all going good as it was meant to be...

Not observed

Communication

Learning

Everyone is well

Overall quality in institute  
best teaching

Providing multiple opportunities to learn and grow

Give a seminar for motivate to the students.

Cultural activities

N.A

Very nice

Three observations or suggestions to improve overall teaching and learning experience in institution are:

Use better graphics and visual media to engage students well. ...

Try to reach every student and ask for their doubts. ...

Make teaching a two way interaction.

In my college there is no 75% attendance in college

Ok

Regular Class

Firstly, make teaching a two-way interaction.

Secondly, Teacher's are always helping.

Thirdly, Every teacher always solves the problems of students

No it is fine

No answer

Reflective , peer and relaxation improvement.

Improve student skills

After the completing syllabus then take one special lecture for overview of the every subject and then there chapters in short.

Abc

Technical Knowledge is give to students

Exllent

No suggestions

Only writing not teaching perfectly geeta Anjali mam

Best teaching ✨

Nees to Focus on extracurricular activities.

Strongly agree

Lab Practical properly

Nothing to say

very good

All teachers teach well in this institute

Excellent teachers, every teacher provide lots of knowledge releted their subjects

Wanna explain more

Participations

Activities

1.Interactive learning methods

Kindly give more project and real time problem to solve.

I don't have any suggestions because all teaching staff are provides good facilities.

Want more improvements in teaching

1) water tank; after drinking water from water tank,students catches cold,so change the water by pure water.

2) clean washroom on regular basis,keep clean and hygiene...(Keep hand wash in washroom).

3)while attending the lectures,voice of teachers echoing multiple times,and hence we can't hear some main points properly(make sound proof walls)

4)having a low environment while studying..(having canteen next to our classroom,shouting students behind the classroom.)

And last but not the least....

5) evaluate marks according to their hard-work, attendance,and intelligence...

1.Teachers should communicate effectively with every student.

2.Be creative :helps in learning new things

3.weak student should be helped to pass

Average

Use technology,promote group work , collect feedback

Ok ok

GOOD

No suggestions...

Thank you ITM.

- 1) Bridge course - In recent bridge course we All got so much information. And i personally Loved all the sessions. Please provide some more also
- 2) Campus placement - I agree that our Institute approaching companies to give opportunities to students but the some companies are not from the IT Background also So please only approach IT Companies
- 3) I really admire iam studying in this Institute. Everything in our Institute is top notch and very Posh. I can Proudly Say that.Iam student of a ITM college ♥

They do there best

Aware students about skills required for cracking mnc's
