About Energy Swaraj Foundation :

Energy Swaraj Foundation (ESF) is a not-for-profit organization committed to addressing the challenge of climate change, aligning with the United Nations' Sustainable Development Goals (SDGs).

Founded on the principles articulated by Prof. Chetan Singh Solanki, ESF aims to **empower 1 billion people** by forging partnerships with organizations, institutions, and government bodies worldwide. Our overarching goal is to **combat climate change and promote sustainability**.

Vision

Being a leading Voice in the action for climate correction, we aim to foster a global public movement by encouraging the adoption of Energy Swaraj.

Belief

1. Use of energy is the driver of our social as well as economic activities on the planet. The Energy Swaraj Foundation believes that excessive use of carbon-based energy is the cause of environmental degradation and climate change, making human existence unsustainable.
2. Every individual; irrespective of gender, nationality, age, consumes energy and material and contributes to climate change, therefore every individual needs to be part of action for climate correction.
3. There are two fundamental laws (or boundary conditions) of human existence or sustainable living on this planet:
~ “In an ecosystem of finite resources there has to be finite consumption”
~ “In an ecosystem of finite resources there has to be distributed production”
4. Following the three step approach of AMG -Avoid, Minimize and Generate we can achieve localized energy independence for sustainable human existence.

Mission

1. Driving impactful awareness and encouraging action for climate correction.
2. Promoting broader perspectives of energy generation, consumption and its impact on the environment.
3. Creating a network of action nodes by establishing Energy Swaraj chapters and clubs within India and globally.
4. Providing translational tools like Energy Literacy Training, Climate Correction Day, Ek Kamra Solar Ka, Reduce Energy Consumption, practical training, technical knowledge, Energy Swaraj Yatra, etc.
5. Making grid-free, 100% solar powered living aspirational.
6. Make Energy Swaraj a way of Life!

About Energy Literacy Training :

Why Energy Literacy?

Energy is the main culprit of climate change because more than 80% that we use comes from coal, oil and gas. It is important to know the basics about energy usage and its negative impact on the environment. Similar to needing a driving license to drive a vehicle, Energy Literacy is like a license to use energy. Without this license we are ignorant and causing harm to ourselves and putting the lives of the young generation at a great risk. Therefore, Energy Literacy is first step towards climate correction.

What is Energy Literacy Training?

Energy Literacy Training includes the understanding of energy generation, its consumption, its use, misuse and inefficient use, opportunities to conserve energy and generate clean energy. It includes 12 modules of 15 minutes each. The training can be taken in online as well as off-line mode. Each module is enjoyable and engages with participants by means of examples, exercises and simple multiple choice questions. Each training module is divided into four sections or four “E”s, as listed below:

Section - 1: Establishing the concept of a given module (5 to 8 min)

Section - 2: Example to clarify the module concept (3 to 4 min)

Section - 3: Exercise for strengthening the grasping of concept (2 to 3 min)

Section - 4: Examination to check the understanding of the concept, 5 multiple choice questions (MCQ) (2-3 mins)

Energy Literacy Training would help individuals as well as institutions to achieve Sustainable Development Goals (SDGs) number 7, 12 and 13.

Who should become Energy Literate?

Anyone and everyone who uses energy should become Energy Literate. In the modern world, everyone, rich or poor, young or old, American, African or Indian is a user of energy. Therefore everyone should become Energy Literate. Schools, Colleges, Industry, Society, NGOs, Government Organizations, Spiritual Organizations, everyone, needs to ensure that their people are Energy Literate!

Outcome of Energy Literacy Training

Having gone through Energy Literacy Training, a person is expected to become energy sensitive and knowledgeable about

- How much energy is being used?
- From where the energy is coming from?
- What is his/her carbon footprint?
- What are the impacts of energy use on the environment?
- What are alternatives?
- What is the best approach for energy generation and consumption?
- What would be the size of the solar system for fulfilling their own needs?, etc

Benefit of Energy Literacy Training - saving money and environment

The training makes users of energy a sensitive user. Without putting notices to appeal ‘save electricity’ reduction in electricity consumption by home and organizations is seen. For example, after imparting Energy Literacy Training to their employees, All India Council for Technical Education (AICTE) , the regulating body of Government of India, started saving about 20,000 to 22,000 units of electricity every month. It is seen that an Energy Literate user uses energy more carefully. It results in reduced energy usage and therefore not only helps in saving electricity bills but also reduces carbon emission. Each unit of electricity saved is saving about 1000 grams of CO₂ emission.

Curriculum :

1. Pre- training Questionnaire
2. Pre-Quiz
3. Module 0: Guideline for training program
4. Module 1: Realising we use lot of energy
5. Module 2: Where does the energy come from?
6. Module 3: Understanding units of energy
7. Module 4: Quantifying energy use in simple terms
8. Module 5: How much is your carbon footprint
9. Module 6: Climate change has happened
10. Module 7: Energy as a problem and as a solution
11. Module 8: Avoid use of energy by 1/3rd
12. Module 9: Minimize the use of energy by 1/3rd
13. Module 10: Generate remaining 1/3rd energy locally
14. Module 11: Misconceptions about solar energy
15. Module 12: Pledge for action
16. Post- training Questionnaire
17. Certificates

ELT- Registration/Enrollment Notice :

Subject: Regarding enrollment for Energy Literacy Training (ELT)

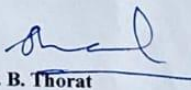

Dear all,

In accordance with the Hon. PMs' LiFE Mission, Prof. Solanki, IIT Bombay (Solar Man of India / Solar Gandhi) has created a simple yet effective Energy Literacy Training (ELT) to understand energy, climate change, and its solution. In absence of Energy Literacy we tend to mis-use, over-use and inefficiently-use energy. This ELT training can be taken online mode.

To enroll and complete the training, please click on the following link:
https://es-pal.org/lets_begin/YEMZMwBrZisAjzH

I request all of you to enroll for Energy Literacy Training (ELT). In enrollment/Registration form, enter **SSBES' Institute of Technology & Management, Nanded** in organisation field.

For any query regarding the same please contact to our Co-Ordinator Mr. P.P. Joshi, Asst. Prof, Dept. of Computer Sci.

Dr. S. B. Thorat
 Director

Energy Swaraj Foundation
Energy by Locals for Locals

CERTIFICATE

OF ENERGY LITERACY

THIS CERTIFICATE IS PRESENTED TO
DR. SURYAKANT THORAT

has successfully completed the course spanning over 12 modules. The training helps people in understanding energy, its generation, consumption, wastage, carbon footprint, impact on the environment, means to avoid and minimize energy usage, alternative energy solutions, ways to become carbon neutral, misconceptions on solar energy, and approach to adopt solar energy solutions. This training is a part of the "ENERGY LITERACY TRAINING " of the Energy Swaraj Foundation.

Energy Swaraj Foundation
Energy by Locals for Locals

CERTIFICATE

OF ENERGY LITERACY

THIS CERTIFICATE IS PRESENTED TO
VISHAL GAJBHARE

has successfully completed the course spanning over 12 modules. The training helps people in understanding energy, its generation, consumption, wastage, carbon footprint, impact on the environment, means to avoid and minimize energy usage, alternative energy solutions, ways to become carbon neutral, misconceptions on solar energy, and approach to adopt solar energy solutions. This training is a part of the "ENERGY LITERACY TRAINING " of the Energy Swaraj Foundation.

Appreciation Certificates:

Upon completion of 500+ students Energy Literacy Training, Energy Foundation has appreciated us with Silver Certificate of Appreciation.

Upon completion of 1000+ students Energy Literacy Training, Energy Foundation has appreciated us with Silver Certificate of Appreciation.

Climate Clock:

Our Institute has given Energy Literacy Training to 1000+ students. Upon completion of 1000+ training, Energy Swaraj Foundation has appreciated our institute by gifting a climate clock.

The **Climate Clock** serves as a visual representation of the urgency of the climate crisis, highlighting the limited amount of time left to act and the need for immediate and decisive action. Climate clock shows the time left before the planet touches **1.5°C** of global warming.

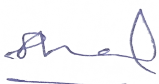

CONCLUSION:

Our Institute has given Energy Literacy Training to 1000+ students.
Total students enrolled are 1277, out of that 1096 has completed their Energy Literacy Training and 145 are on the completion the training.

This training literates the students to understand energy, climate change, and its solution.
Also, they get awareness of how to avoid mis-use, over-use and inefficiently-use of energy.
