Registration For Event Name: - Football 2018-19

Football COMPETITION

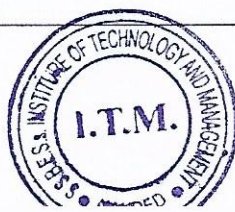

DATE : 14/03/2019

TIME : 08:00 Am

Rules:

1. Advantage: The referee can apply the advantage rule when a player is fouled but the fouled team would benefit more by playing on rather than stopping the game. If the referee deems there is an advantage, the fouled team continues to play without a free kick or penalty.
2. Substitutions: Each team is allowed a certain number of substitutions during a match, depending on the competition and its rules. Substitutions can only be made when the ball is out of play, and the player leaving the field must do so at the nearest touchline.
3. Handball: If a player deliberately handles the ball (excluding the goalkeeper within their own penalty area), it is considered a foul. However, unintentional handball may not be penalized if the player's arm is in a natural position or if the ball deflected off another body part onto the arm.
4. Offside: A player is not in an offside position if they are level with the second-to-last defender or level with the last two defenders. In other words, if a player is in line with the defenders when the ball is played to them, they are considered onside and can continue their play.
5. Yellow and Red Cards: The referee uses yellow and red cards to caution or send off players for serious misconduct. A yellow card serves as a caution, while a red card signifies a player's dismissal from the game. Two yellow cards to the same player also result in a red card.

5. At the start of a Kabaddi match, there is a coin toss with the winner having the choice as to whether to have the first raid or not. In the second half of the match, the team that did not raid first shall begin the second half with a raid.
6. To win a point when raiding, the raider must take a breath and run into the opposition's half and tag one or more members of the opposing team and then return to their own half of the pitch before inhaling again.
7. To prove that another breath hasn't been taken, the rider must continue to repeatedly yell the word 'Kabaddi'. Failure to do this, even for just a moment means that the rider must return to their own side of the court without points and the opposite team is awarded a point for a successful defense play.
8. The team being raided is defending, and the players must prevent the raiders from tagging them and returning back over the halfway line. Whilst in defence, a team may score a point by successfully preventing the raider returning to their own half after tagging them. Raiders may only be grabbed by their limbs or torso, not by their hair, clothes or anywhere else, and defenders are not permitted to cross the centre line.
9. Each team will take turns in raiding and defending. Following halftime, the two teams switch sides of the court and the team who defended first in the first half begin the second half by raiding.
10. The game continues in this way until the time is up, the team with the most points at the end of the match is declared the winner.
